

“For children all over the world, we say: 'Take my hand. Hold on tight. We will stay on the path together back to our Heavenly Father.'

”Parents, grandparents, neighbors, friends, Primary leaders—each of us can reach out to hold on to the children. We can stop, kneel down, look into their eyes and feel of their innate desire to follow the Savior.

“Take hold of their hands. Walk with them. It is our chance to anchor them on the path of faith. No child needs to walk the path alone. Through the Savior's help, we all can return to our Heavenly Father's presence.”

Mission:

This program is intended to help you to increase your ability to receive personal revelation from the Lord for your stewardship in Primary. It also helps you to increase your love for the children, thereby expanding your ability to serve the children in your care.

Just as children learn best by doing, leaders and teachers learn best by doing: taking steps to increase your effectiveness in your calling by drawing on the power of the Lord.
