

# Be a MISSIONARY Now

You don't have to travel to a different country, dress in church clothes, or wear a name tag to be a missionary. One of the best ways to be a great missionary is to be a good example and a good friend. Here are some other things you can do to be a missionary.

**Share a copy of the *Friend*.**

**Share with a friend what you are doing to find out your family history.**

**Ask a friend to come to a Primary program.**

**Share your favorite scripture story.**

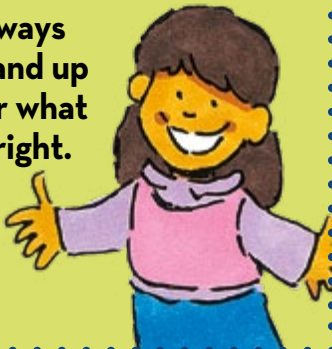

**Tell a friend about an answer you received to a prayer.**

**Invite a friend who doesn't go to church to a Primary activity.**

**Always stand up for what is right.**

**Invite a friend to a family home evening.**

**Give a pass-along card.**

**Invite a friend's family to a ward picnic, Christmas party, or other event.**
